Activation
Activate your products on leading marketplaces, through print catalogs and social channels

This multitool provider of knives, accessories and apparel ran a vigorous selection process. "Akeneo met all of our 100+ requirements for a PIM," said IT Director, Liz Lee, including pre-existing integrations with Salesforce Commerce Cloud, Bynder (Digital Asset Management), and Transperfect (language localization) from the Akeneo App Store.

Akeneo Connector for Adobe Commerce/ Magento (Akeneo Enterprise)
by Akeneo

Akeneo's integration empowers Adobe Commerce merchants to push their Akeneo PIM catalog to their eCommerce. This module is compatible with Adobe Commerce and Magento, but to ease the reading we will only mention Adobe Commerce. Provided by Akeneo, this connector is designed for Akeneo Enterprise use...
